The URL displayed in your browser when you type https://waa.epa.gov/waa is dynamic and may change as EPA WAA technology is updated. In order to ensure that your bookmark always takes you to the correct WAA login page, you must specifically bookmark https://waa.epa.gov/waa and not the URL displayed in the browser's address bar. This Quick Reference Guide provides you with the instructions you need to perform this task.

Bookmarking the WAA

In order to ensure your bookmark for the EPA WAA's main log-in screen works correctly, you will need to book mark: https://waa.epa.gov/waa. Follow each step below:

1. Type in: https://waa.epa.gov/waa into the address line on your internet browser.
2. Once the *WAA Log-In* page appears (Figure 1) right click on the page and click **Add to Favorites…,** then click the *OK* button. You will see a link for EPA WAA login when you click on the Favorites dropdown menu in your Web Brower.
3. Once you have added the page to your list, open your *Favorites* list (Figure 2), right click on the link (Figure 2) and then click *Properties*.
4. Change the URL to https://waa.epa.gov/waa (Figure 3)
5. Click the *OK* button to save your change and return to the EPA WAA's main log-in screen.

EPA Web Application Access Login

Welcome to the EPA Web Application Access

A gateway for authorized users to find, request access and manage EPA tools, applications and communities. If you have an EPA LAN account, log in using LAN account user id and password. If you do not have an EPA LAN account, you will need to **Self Register** for an account.
